# PEGASUS (= HELISA)<sub>first year</sub> | tutoring

- This is where you will list courses and internships and projects to establish your *contrat d'études* (**CE**), both for the master and for the DENS
- Meet your DENS tutor asap to establish your DENS CE
- Make sure to meet your tutor **twice a year**

# Your DENS

Important things to complete

- at least **72 ects** in addition to the master credits\*, including:
  - 24 DEC ECTS
  - 24 non-DEC and non-language ECTS
  - 24 free ECTS (can include language classes)
  - maximum of 24 credits in internships

\*: by no means 1 credit can be used twice. This is cheating.
